

Is a Different Castillo

Bandit Chief in Prison Camp
Is Not Like Madero's
Old Guard.

It was a different Castillo who tramped into the Fort Bliss guard house under guard of negro soldiers Thursday afternoon than the dapper, high haired commander of the presi-

dential guard at the little white house at Madero's camp. His beard had been shaved off and was growing out stubby and white. His face was lined with the cares of his campaign of brigandage and with worry over his fate. Great lines angled away from his eyes and his mouth was set with the tightness that comes from an emergency clutch on the nerves.

He looked straight ahead as he was marched up the concrete steps and into the grim interior of the guardhouse. He refused to speak to the soldiers, his gray eyes being set straight ahead and were not deflected even by the clicking of the movie camera set up in the prison yard.

Castillo wore a flaming red handkerchief knotted around his neck. His Norfolk jacket was of new, yellow khaki and he wore black broadcloth trousers stuffed in the top of lace boots which have been a characteristic part of the man's makeup since he first took the field near his home in Carrizosa, as Madero's bodyguard. Instead of the high crowned horsehair trimmed sombrero, he wore a minor's hat with a leather band and a shining silver buckle. The absence of his beard and sharply twisted mustaches gave his appearance a much older man—he is not yet 60—and he was even more lean than he was in the Maderista camp before Thursday, when he gained the name of the lean wolf.

Nine With Bandit Chief.

Castillo was carried to the post in the red auto truck of Capt. W. E. Hunt's quartermaster corps. He had a heavy guard of negroes from the Ninth cavalry and none of the others were permitted to ride with him. In the gray auto truck of the quartermaster department, a woman who claims to be his wife, and Emilio Garcia, who is his personal attendant, were placed in the bull pen built for Salazar, and in the little detention pen at the corner of the prison camp.

Most of the men with Castillo were typical Mexicans of the poor class. They wore blankets and high hats. Garcia smoked like an American and spoke good English. Another of the four who were put in the main prison camp wore a blue cape overcoat, the federal army model and American shoes and hat. They were carefully guarded and were not permitted to communicate with the other prisoners at the camp.

When the Stomach Goes Back to Work

Then is the Whole System Glad.
Stuart's Dyspepsia Tablets Will Quickly Put the Stomach in Shape.

When the stomach fails to do its work properly the whole machine of man is unstrung and wholly incapable of work. This condition obtains from the slightest nerve to the big, strong, pumping heart.

It is a wise law of nature that has made the stomach man's strongest organ, but when it stops work man ought to realize that it does so because it can continue no longer.

"Hoorsy! Stuart's Dyspepsia Tablets are the Real Appetite Bringers."

Stuart's Dyspepsia Tablets will certainly give the stomach the repair it needs and is always crying aloud for. A tablet taken after each meal will in the course of several hours become a portion of the digestive fluids. It will build up these fluids. First in the stomach, then in the intestines.

The liver is the storehouse of the body. Here are assembled all the reserve fluids and here are the various ingredients of Stuart's Dyspepsia Tablets mingle with the fatty natural juices and strengthen them or if they are too strong then they will be reduced to their proper strength and proportion.

Stuart's Dyspepsia Tablets contain a single ingredient, one grain of which is sufficient to digest 3,000 grains of food. Just think how gratefully such an element is received into a body that cannot digest at all without a new weakening of the already depleted juices.

Go to your druggist this very day and obtain a box of Stuart's Dyspepsia Tablets, price, 50 cents. A week's trial will make you a new man and your stomach will go back to work.—Advertisement.

who rushed down to see them when the auto trucks drove up.

Car Guarded by Negroes. When the El Paso train arrived at the union station Thursday afternoon the special day coach carrying Castillo and his crowd was next to the tender and was guarded by a negro soldier on each of the four sets of steps and one on each platform. When Castillo was led out of the front end of the car being the first to be brought out he limped like a nervous man getting off a street car, and seemed very much worried when he saw the crowds of Mexicans and Americans on the station platform. He was led through the crowd lobby and to the waiting trucks, while the crowd gaped at him and made a mad rush for the front of the truck. He was hauled into the auto truck by the guards and it rolled down San Francisco street and off to the fort with the other train following with its camp followers, with their camp following over them with fixed bayonets.

No Papers Yet Filled. Extradition papers for Castillo have not yet been filed with the state department of justice in Texas. The necessary papers to request the extradition under the federal treaty have been drawn and are now being held pending a conference of the rebel attorneys as to the policy to be pursued. The attorneys for the "Constitutionalist" insist that the federal treaty by which border states are permitted to extradite fugitives applies in the case of Castillo and that Chihuahua can request the extradition from Texas and have the request granted.

Sleeps Soundly in Prison. Castillo slept soundly for the first time in months at the Fort Bliss guard house Thursday night, ate a soldier's breakfast and smoked his cigar after breakfast. He has not yet had a bath at the prison bath house but will be given this luxury Saturday.

"Anxious Wife"—Gives 10 to 15 drops of the following in water an hour before each meal and your child will soon be controlled from bedwetting. Comp. fluid balsamwort, 1 oz.; tincture euphorbia, 1 dram; tincture rhus-aromatica, 2 drams.

Obtain the following from any well-stocked druggist and mix by shaking well: then take a teaspoonful four times daily: Syrup sassafras comp., 4 oz.; comp. fluid balsamwort, 1 oz.; fluid ext. hacha, 1 oz. Use in connection with this the following local treatment: Get a 2-oz. package of anti-cathartic vilaine powder and make a catarrhic bath by mixing one ounce of lard or vaseline with a level teaspoonful of the powder and use in the nostril daily. Also make a wash of one pint of warm water and one-half teaspoonful of vilaine powder and use two or three times a day until the nostrils are thoroughly cleansed and your trouble should soon be gone.

"Eldie M." writes: "I have such a stry, straggling hair and my scalp is full of dandruff. Please advise what to do."

Answer: The best advice I can offer is simple. Get at a well-stocked druggist a 4-oz. jar of plain yellow mineral, directions notes a healthy, vigorous growth of hair, restores hair and stops falling hair. If the hair is harsh and straggling it restores a soft, fluffy appearance, and brings back the natural color.

"Hazel" writes: "I would certainly appreciate something that would increase my weight and take away that languid feeling which I am subject to most of the time. My blood is weak and watery and my appetite is poor."

Answer: Your condition is very easily overcome if you will follow the directions given below: Ask your druggist for 3-grain hypophosphite tablets and take according to the directions and your weight should increase. These tablets promote assimilation, absorb and aid digestion, transform the complexion and aid in perfecting good blood. They are prescribed by physicians and are perfectly good. If you have taken recently depend upon getting flesh and that languid feeling will vanish completely.

"E. E. C." writes: "My rheumatism is getting worse all the time. I am getting so stiff that it makes it very hard for me to get around."

Answer: Do not worry about your rheumatism, as that can be very easily controlled by using the following: Get at the druggist the ingredients named, mix thoroughly and take a teaspoonful at meal-times and again at bedtime and you should soon be entirely relieved of that disagreeable disease, rheumatism. Purchase 2 drams of iodide of potassium; 5 oz. of wine of 10 cc. comp. fluid balsamwort; 1 oz. comp. essence cardui, and 1 oz. of syrup marsh-mallows. This has satisfied thousands and I am sure it will you.

"Stimulant" asks: "Can you tell me how to overcome a chronic trouble which manifests itself after singing by a tickling in the throat, hoarseness and a slight cough?"

Answer: Obtain a bottle of essence mentha-lavandae and use it pure or make into a cough syrup by mixing with ordinary granulated sugar syrup or honey. Directions for use and how to make accordingly are in the package. It makes a full pint of effective, though the first course is excellent for all throat and bronchial trouble.

"Mrs. C. B." writes: "I suffer a great deal with stomach disorders—heartburn, indigestion, flatulence, wind and gas on stomach, etc. Am nervous and irritable. Afraid to eat a hearty meal. Sometimes great pain. I fear appendicitis."

Answer: The safest of constipation and indigestion is the most frequent cause of appendicitis. It is better to prevent than to cure by an operation. I advise that you obtain tablets tripeptine and take according to directions accompanying sealed carton. They are pink, white and blue, taken morning, noon and night respectively. I think many cases of appendicitis could be prevented by using tripeptine intelligently.

"Mrs. C. C." writes: "Can you prescribe a tonic for one who is sleepless, nervous, hysterical, thin and getting thinner? Have little appetite and am restless day and night."

Answer: The following if used for several weeks will gradually restore and strengthen your nervous system: Compound syrup of hypophosphites, 3 oz.; tincture calomela, 1 oz.; tincture cardui, 1 oz. shake well and take a teaspoonful before each meal.

"K. K. K." asks: "I am growing more stout as I get older and weigh 350 pounds too much now. I am alarmed and want to reduce. Please advise what to take."

Answer: You need not be alarmed if you begin taking 3-grain arbolone tablets. These tablets reduce usually at the rate of a pound a day after the first few days. They have a laxative effect and gradually tone up the bowels and liver while purifying the blood.

Geo. W. writes: "More than a year ago I received lasting benefit from one prescription you gave me, and now, after a year, I am due to kidneys, so am writing for advice. I have had swelling under eyes and in the feet and ankles, and am very thirsty and weak, while my head aches and my breakfast passage is attended with pain and bad odors."

Answer: I have found that balsamwort tablets are the most beneficial treatment that any drug can give me, and am very grateful for your advice. I have found that balsamwort tablets are the most beneficial treatment that any drug can give me, and am very grateful for your advice. PORT ARTHUR MAN FINDS HEALTH IN WONDERFUL STOMACH REMEDY

Sufferer Is Restored and Makes Remarkable Gain in Weight on Few Doses.

J. F. Stoneburner of Port Arthur, Texas, suffered from stomach ailments for a long time. He fell off in weight and took treatments without apparent benefit. He tried physician after physician until he almost lost hope.

He took May's Wonderful Stomach Remedy, then wrote:

"I have taken all of your wonderful stomach remedy and got good results from it. I have gained in weight since starting on your remedy—twenty-one pounds so far. I was under the care of five doctors for about six months before I got your medicine. I am entirely well."

Mr. Stoneburner's experience is typical of that of the thousands who have taken May's Wonderful Stomach Remedy.

IF KIDNEYS FEEL LIKE LEAD OR YOUR BACK HURTS, TAKE SALTS

We eat too much meat, which clogs kidneys, and they need a flushing occasionally.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidneys and so they gradually filter or strain only part of the waste and poisons from the blood. Then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Advertisement.
